

# POLICY STATEMENT

## CONTROL OF SUBSTANCES HAZARDOUS TO HEALTH

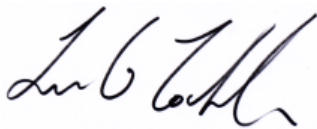

### **STATEMENT:**

**ROCKET MEDICAL PLC** state that, in the form supplied, the products and packaging can be considered as being non-hazardous.

In rare and exceptional circumstances, a product reserved for specialist applications may contain a hazardous substance and as such, **these products will be specifically labelled and contain detailed instructions citing all relevant warnings and cautions.**

Disposal of used items should follow standard hospital procedures for the disposal of biohazard materials.

For and on behalf of **ROCKET MEDICAL PLC**

**L.Todd**

**Operations Director**
